Greetings Friends.

Community Music School of Springfield is excited to announce our Annual Spring Gala, taking place on Saturday, May 3, 2025 at 5:30pm. Over these next few months we'll highlight the inspiring mission of CMSS and the life sustaining impact we strive to make in the community every day. We ask you to consider partnering with us through your valuable sponsorship that will help us provide access to music education and enrichment.

CMSS' Spring Gala is the single largest source of funding for our substantial financial aid and scholarship offerings. Your sponsorship will contribute to making opportunities to experience high quality, equitable and inclusive music education programs possible. For over four decades, CMSS has remained committed to serving youth in need through financial aid and free community programming. We are so proud to also celebrate our faculty of 65 amazing music educators who continue to inspire creativity and musical excellence in our students.

Would you help us reach our Spring Gala goal of \$125,000? Sponsorship levels range from \$10,000 Lead Sponsorship to \$1,000 Rhythm sponsorship. Please choose your preferred level. Support at any level will help us deliver high quality programs that are equitable, inclusive, and culturally responsive.

Your sponsorship opportunities are attached. Please confirm your sponsorship or any questions to Vanessa Ford at 413-750-9568 or vford@communitymusicschool.com. We appreciate you!

Sincerely,
