

SUMMER SONGWRITING LAB

COMMUNITY MUSIC SCHOOL OF SPRINGFIELD - SUMMER 2025

PRODUCTION ● POP ● METAL

VOCALS, BASS, GUITAR, DRUMS, KEYS

Monday through Friday, musicians ages 7-18 years old will dive deep into the art of songwriting honing their musical style and **collaborating with peers & local musicians**. Students will be grouped by age.

Work alongside **professional songwriters** to guide you through writing, arranging, and refining your own original song.

At the end of the camp, **showcase** your work in a performance or **recording session**, bringing your original piece to life!

PRODUCTION EDITION - JULY 7-11 @ 10-1PM

Craft hard-hitting beats, catchy hooks, and lyrics that hit home. Learn song structure, flows, and collab techniques. (Ages 11-18, grouped by age)

METAL EDITION - JULY 21-25 @ 2-5PM

Write epic metal songs with heavy riffs & intense lyrics. Shape your sound, hone your craft, collab with a band. (Ages 7-18, grouped by age)

POP EDITION - AUGUST 4-8 @ 2-5PM

Create infectious melodies, relatable lyrics, and hooks that stick. Explore song forms, chord progressions, collab techniques. (Ages 7-18, grouped by age)

Register by May 1st for Early Bird Discount

- **\$350/week** financial aid, payment plans, & scholarships available
