## 2020-2021

### **Registration Policies:**

#### ***Private Lessons***

There are 35 lessons in a full school year. The total amount of lessons does NOT include holidays or pre-designated make-up/recital weeks. Please refer to the printed CMSS calendar and/or your lesson schedule (available through your online CMSS account). After the school year begins, students may register for private lessons for any slot that is available; for late starts, the lessons will be prorated to reflect the start date and the available lessons remaining in the school year. Refunds will not be issued for missed lessons, but students have ample opportunities for make-up lessons throughout the year, should a lesson need to be cancelled by the teacher or the school.

#### ***Group Classes and Ensembles***

There are 35 classes/ensembles in a full school year. The total amount of classes/ensembles does NOT include holidays or pre-designated make-up/recital weeks. Classes and ensembles are pro-rated based on the date of enrollment and the number of class/ensemble meetings remaining in the year. Students are welcome to join a class or ensemble after the start of the school year (per instructor discretion and provided there is space remaining in the class/ensemble). By request, credit for up to two missed classes/ensembles will be issued by the Director of Enrollment. By request, credit will be issued for any classes/ensembles that were cancelled by the teacher, or due to weather, or missed due to religious holiday absence.

#### ***Online Registration***

Students have a secure account through CMSS's web-based registration software where they have access to invoices, registration confirmation, and scheduling information. CMSS's policies and procedures and media release are also available via the online account, and students are notified as updates are posted. Registering for lessons indicates that you agree to CMSS's policies and procedures.

## **Important Registration Dates**

August 31, 2020	First day of 2020-2021 private lessons, classes and ensembles.

## **Pre-Scheduled Make-up Days (and Weeks)**

Make-up days and weeks are scheduled into the CMSS calendar and are designated for make-up lessons/classes/ensembles that have been missed during regularly scheduled lesson days. These days are indicated on the school calendar in October, November, December, February, April, and June as “Private Lesson Make ups, Pre-arranged Only” (shaded in grey). On a make-up day, the school is open but the student(s) do not have regularly scheduled lessons or classes/ensembles. Instructors may also give make-up lessons on days not designated as make-up days that are mutually convenient for both student and faculty member.

## **Make-up Lessons**

**CMSS faculty are obligated to give students make-up lessons for teacher cancellations, religious observances (maximum of two per year), or if the school has to close or cancel lessons for less than one week (seven consecutive days) due to inclement weather, power outage, or other short-term emergency. Up to two student absences (cancellations) per year will be made-up only if the student gives 24-hour notice. If the school is required to close for more than one week (seven consecutive days) due to pandemic-related social distancing, remote lessons will be offered and school policies regarding make-ups, student absences, and teacher cancellations remain in effect.** Students are not charged for make-up lessons, and missed make-up lessons may not be again re-scheduled. To schedule a make-up lesson please contact

the faculty member directly to schedule the make-up day and time. Make-up lessons must be given by June 30th (or for summer 2020 lessons, before the school year starts again in late August).

### **Recitals**

In June, two weeks are designated for CMSS student recitals. Each instructor schedules at least one recital for their studio during each school year. Speak with your instructor for details on repertoire selection and scheduling.

## **Withdrawal Policy**

Notice of withdrawal from lessons, classes, and/or ensembles must be submitted in writing to the Director of Enrollment. Verbal notice or requests from students, parents, and/or faculty are NOT acceptable forms of withdrawal notice. Two-week notice is required for withdrawal and the student will be charged for two lessons and/or classes from the date the written withdrawal is submitted. If the Director of Enrollment is not made aware of the withdrawal in writing, students will continue to be charged without eligibility for a refund. Registration fees will not be refunded or credited.

## **Refunds and Credits**

Registration fees are non-refundable. Overpayment due to withdrawal may only be applied as a credit to the student's account (less the two lesson/class charge incurred when withdrawing). Tuition refunds/credits should be rare, as make-up lessons/classes/ensembles are preferable in cases of student absence or teacher cancellation. Refunds and credits will not be issued for prolonged closure due to social distancing protocols. Refunds are only made in very rare circumstances and are up to the discretion of the Director of Enrollment and/or the Executive Director. Refunds and credits will only be considered if all attendance policies have been followed and a good faith effort has been made by both the student and the Music School faculty/administration to follow school policies and/or remedy the situation (i.e., through make-up lessons, consistent communication, lesson or instructor change). Refunds require a \$25 processing fee and may take up to two weeks to be issued.
