Prelude Enrollment FAQs

I have children who are not preschool age. Can I sign them up?

Our program's curriculum is geared towards children between the ages of 2.9 months and 5 years old, as these are the ages for traditional preschool. However, we will accept children between the ages of 2 and 6 for our remote program!

I have multiple children at home. Do I have to pay more than once?

All students participating in Prelude Preschool's remote programming need to be formally enrolled in our programs. If you're enrolling more than 1 student in our Bravissimo! program, tuition will be due for each child. If you're enrolling more than 1 child in our Bravo! and Encore! programs, you will NOT owe additional tuition.

Is there unlimited enrollment space?

Bravissimo! is only available to the first 25 children who are enrolled. Bravo! and Encore! programs have unlimited enrollment capacity.

Can I switch to a different program during the year?

If you would like to shift to a different program during the year, you will be given access to the new program's content at the beginning of the following week. Your invoice will be updated to reflect your new balance. Any over-payment will be credited to you for future lessons and classes. No refunds will be issued for remote Prelude programming.

Can I un-enroll during the year?

You may un-enroll if you do not plan to use the programming anymore. All withdrawal requests must be submitted in writing to the Prelude Director. No refunds will be issued for remote Prelude programming.

What is your refund policy?

No refunds will be issued for remote Prelude programming.

Do you offer scholarships?

We are committed to providing scholarships to families in need at each tier of programming. If you'd like more information, please email Prelude Director Becca Storozuk at prelude@communitymusicschool.com. If you would like to make a donation to CMSS for the purpose of providing a scholarship to another student, please let us know.

What is your policy about media consent?

All enrolled students will need to accept a media consent waiver at online checkout. Any media we collect during our programming will be sent to parents for approval prior to public usage. We may ask families to take photos and videos of children learning at home, which will only be used publicly with parent consent.

Prelude Technology FAQs

How will I receive all the remote programming content?

Upon enrollment, you will be given access to a private Google Classroom via a link in your email inbox. All of the weekly content will be delivered to the Google Classroom, along with some bonus content! Each Google Classroom will only be accessible to the students and families enrolled in your same program. You will also receive program announcements via email, and on our social media platforms.

What about live events? (Live COMMUNITY Circle Times, 1:1 Academic Tutoring, Live Teaching Artist Sessions, Parent Nights)

All live events will take place on Zoom. Links to group events for Bravissimo! students will be posted in the Google Classroom. Links for private tutoring and add-on events will be sent to you via email. All Zoom events will be secure and password protected.

What devices do I need to use / have in my home?

You can access the content on your smartphone, tablet, iPad, laptop, or desktop. If you prefer to print out home learning activities, you will need a printer.

Will the technology and the materials be user friendly?

We know that many caregivers are suddenly finding themselves in the role of at-home preschool teacher, and that can feel sometimes overwhelming. Prelude will commit to making your job as easy as possible. If you ever feel like we could make life easier for you in terms of our materials list or technology requirements, please let us know. We'd love to help!
